

PAINT CORRECTION PACKAGES

PREMIUM EXTERIOR

\$250-350

This package adds depth and clarity to paint that is starting to show age and damage. It includes a one-step polish that will remove faint swirls and slight fading but won't remove deeper scratches. It will give aged paint a nice, deep gloss.

ULTIMATE EXTERIOR

\$425-555

This package is our Full Paint Correction. Each body panel will be compounded and polished to a swirl and blemish-free finish. With this amount of time and work spent on your vehicle, most choose the option of ceramic coating to protect the newly-perfected paint. This detail is a great fit for the most meticulous and detail-minded person. It doesn't get much better than this!

*DEPENDING ON THE SEVERITY OF THE DEFECTS IN YOUR VEHICLES PAINT, THERE MAY BE ADDITIONAL CHARGES TO ENSURE WE CAN PROVIDE YOU THE BEST RESULT POSSIBLE.
YOU WILL BE NOTIFIED BEFOREHAND, IF THIS IS THE CASE.*
